

LEARNING TOGETHER WITH INFANTS AND TODDLERS: USING REFLECTIVE TEACHING PRACTICES TO MEET UP WITH CHILDREN'S LIVELY MINDS!

The Quality Child Care Initiative of Guelph and Wellington County invites you to participate in a 2-day institute focused on the inspirational and practical realities that working with our youngest children offer.

Join Lorrie Baird & Anne Marie Coughlin, Harvest Resources Associates, for lively conversation and engaged participation with props and stories.

This workshop is geared towards those who work with children from infants—3 years but those who work with preschool children only will also benefit from attending the institute.

Content will include:

- Negotiating the complexity of working with infants and toddlers
 - Studying the foundational elements for reflective practices
 - Designing engaging physical & social emotional environments
 - Cultivating your role as an educator of infants & toddlers
- Transforming your view of infants and toddlers and enhancing the joy of your work
